Manuscripts

for publication should be written in English, French or German and typed (double spacing) with ample margins. Two copies of the manuscript should be sent to:

The Editorial Committee
Commentarii Mathematici Univ. St. Pauli
Department of Mathematics, Rikkyo University
Nishi-Ikebukuro, Tokyo 171-8501, Japan

Submitted copies will not be returned; the original should be kept by the contributor.

We welcome manuscripts prepared in T_EX (L^AT_EX, AMS-T_EX, etc.). When papers written in T_EX are accepted, the authors will be requested to send the text file to the above address.

Electronic submission is also admitted. Please send a pdf file by e-mail to:

editor@rkmath.rikkyo.ac.jp

Authors receive only one set of galley proofs for corrections. Joint authors should indicate on the manuscript which of them should receive the proof if the manuscript is accepted.

Each author receives gratis 50 off-prints and one issue containing the work. (Joint authors receive 50 off-prints altogether.) Additional copies or covers are available at cost; consult with the Printer:
